Favourite Fruit Activity

Here is a tally chart of what the favourite fruit of pupils in a class were:

Fruit	Number of Pupils	
apples	||||	4
oranges	|||	3
bananas	||||	5
melons	|||| |||	8
peaches	|||| ||	7
grapes	|||| ||	7

Number of People

| apples | oranges | bananas | melons | peaches | grapes |

Number of Fruit

Each

means
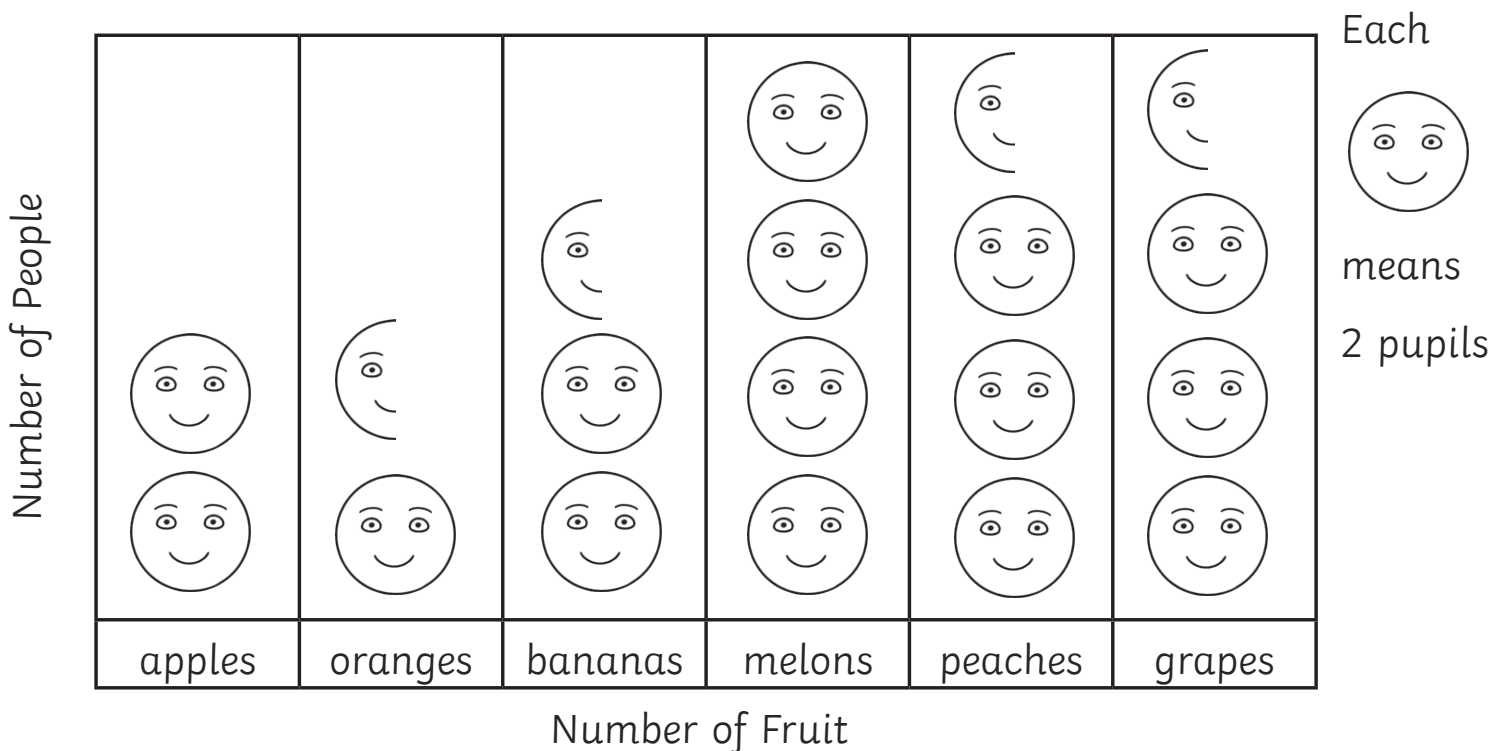

2 pupils

1. Which fruit was the least favourite?

2. Which fruit was the favourite?

3. Which 2 fruits had the same number of votes?

4. Write down the top three favourite fruits.

5. How many pupils voted for melons?

6. Which fruit had less than 4 votes?

7. Now, conduct your own 'favourite fruit' survey in your class! Draw a tally chart and pictogram for the results.

Favourite Fruit Activity

Conduct your own favourite fruit survey in your class and make a tally chart and pictogram for the results.
